UNIT SEVEN

" Festivals are happy occasions in which people enjoy the fun and entertainment that is provided "

Plan and **write** an article of two paragraphs (not less than 12 sentences) about "**Festivals**" talking about **what people do in festivals that makes them happy** and **what you find most exciting**.

(Your writing should include a topic sentence, supporting details and a conclusion)

The plan

Festivals (المهرجانات)

Festivals are important occasions that bring happiness and joy for everyone. During festivals, people wear special clothes. They march streets singing and dancing. Also, they watch firework displays. Finally, they watch concerts and take part in contests.

There are many exciting things about festivals. What I find most exciting is having fun with friends. I also enjoy food which is an important part of any celebration. In addition, I like the variety of events in festivals. Finally, the great music in festivals is also exciting as it removes stress and improves the mood.

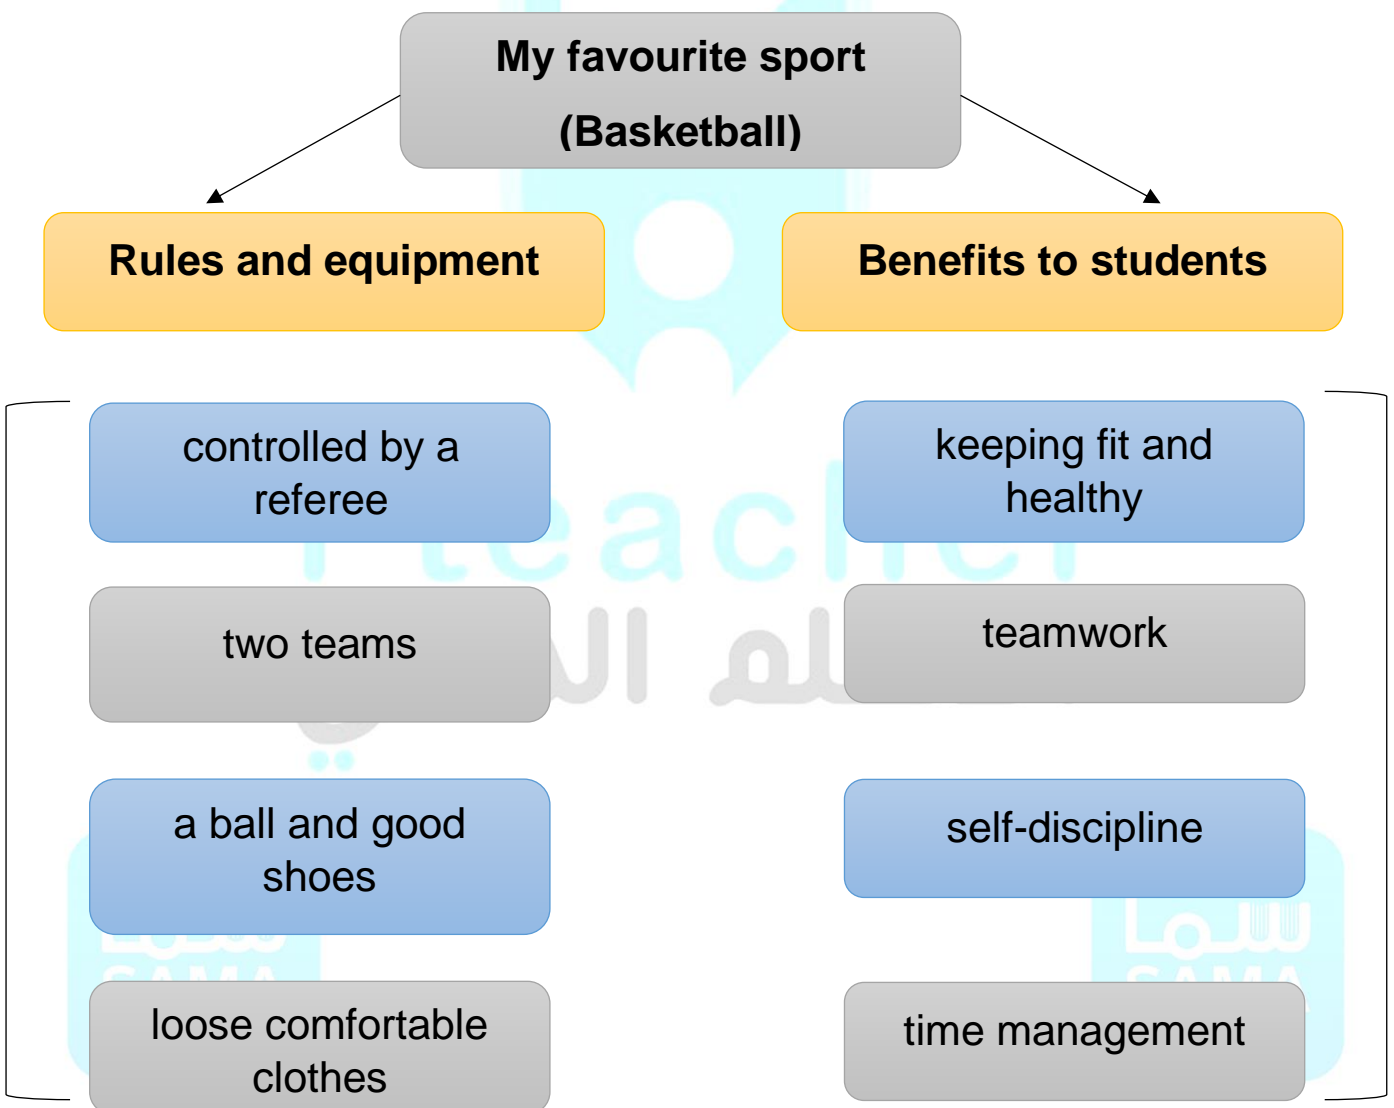

UNIT EIGHT

"Sports are beneficial for both your mental and physical well-being."

Plan and **write** an article of two paragraphs (not less than 12 sentences) about " **Your favourite sport**" describing **its rules and equipment** and **showing its benefits to students**.

(Your writing should include a topic sentence, supporting details and a conclusion)

The plan

My favourite sport (رياضتي المفضلة)

My favourite sport is basketball. It is one of the most popular games all over the world. It has specific rules and controlled by a referee. It is played in groups of two teams of five players. To play basketball, you need to be tall and fast. You also need a ball ,good shoes and loose comfortable clothes.

Playing basketball has a lot of benefits. For example, it helps students keep fit and healthy. Also, it teaches students the importance of teamwork. In addition, basketball teaches students self-discipline. Finally, playing basketball can teach students how to manage their time as every second in the game counts.

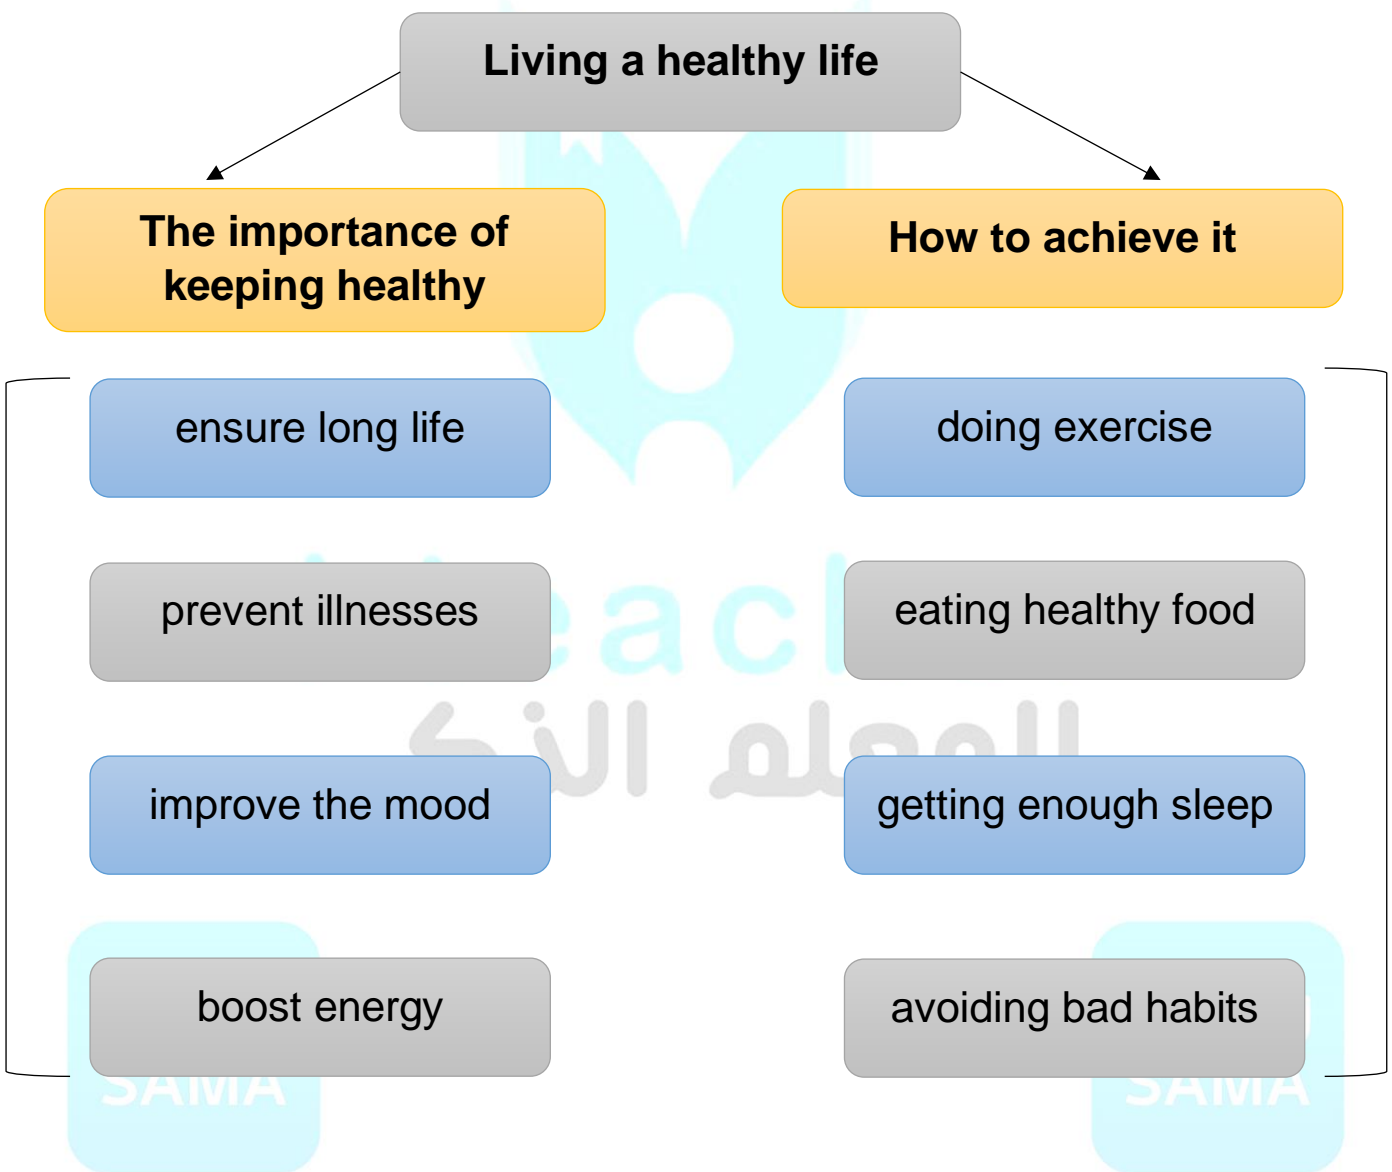

UNIT NINE

" Being healthy should be part of your overall lifestyle."

Plan and **write** an article of two paragraphs (not less than 12 sentences) about " **Living a healthy life**" talking about **the importance of keeping healthy** and **how to achieve it**.

(Your writing should include a topic sentence, supporting details and a conclusion)

The plan

Living a healthy life (الحياة الصحية)

Following a healthy lifestyle is very important for different reasons. First, it can ensure long life. Second, it can prevent a lot of illnesses because it improves the immune system. Third, it improves the mood. Finally, it can boost energy in our bodies.

Living a healthy life can be achieved by many ways. For example, it is very necessary to do exercises regularly. In addition, we should eat healthy food such as fruits, vegetables and fish. Also, getting enough sleep is very important for leading a healthy life. Finally, we should avoid bad habits such as smoking and consuming a lot of fast food and fizzy drinks.

UNIT TEN

" Some animals are known for their intelligence, others for their diligence."

Plan and **write** an article of two paragraphs (not less than 12 sentences) about "**Your favourite animal**" explaining **the reasons for your choice** and **what lessons you can learn from it**.

(Your writing should include a topic sentence, supporting details and a conclusion)

The plan

My favourite animal (حيواني المفضل)

(The dolphin)

My favourite animal is the dolphin. I like dolphins for many reasons. First, they are friendly and intelligent. Second, they live in groups of family members. Third, they care for mothers and protect babies. Finally, they are helpful and save people when they are in danger.

I can learn many lessons from dolphins. For example, I can learn that empathy and caring for others is good. Also, I learn that teamwork is power. Creativity is important, is another lesson I can learn from dolphins. Finally, dolphins are social and friendly animals and people should be the same.

UNIT ELEVEN

"Disability shouldn't limit our ability and it is not an obstacle to success."

Plan and **write** an article of two paragraphs (not less than 12 sentences) about "**A person with disability you read about**" describing **his / her achievements despite his / her disability** and **the moral lessons you learned from his / her life**.

(Your writing should include a topic sentence, supporting details and a conclusion)

The plan

A person with disability (شخص من ذوي الاحتياجات الخاصة)

(Taha Hussein)

Taha Hussein was a blind Egyptian writer. He was one of the great men of letters in the Arab world. He became the first to hold a PhD from Cairo University. He wrote short stories, novels, and he educated people. He served as minister of education in 1951 and 1952.

I have learned a lot of moral lessons from his life. First, I have learned that where there is a will, there is a way. Second, I have learned that a disability is not an obstacle to success. Third, I have learned that disability doesn't mean inability. Finally, I have learned that there is something difficult, but there is nothing impossible.

UNIT TWELVE

" Artificial Intelligence is one of the emerging technologies which tries to simulate human reasoning in AI systems."

Plan and **write** an article of two paragraphs (not less than 12 sentences) about "**AI machines**" talking about **how they may be useful for humans** and **how they may be harmful for them**.

(Your writing should include a topic sentence, supporting details and a conclusion)

The plan

AI machines (آلات الذكاء الصناعي)

Artificial Intelligence machines are very useful for humans. They reduce human error and do not make mistakes if they are programmed properly. Also, they can do a lot of tasks without getting tired or bored. They save humans' time and effort. Finally, they take risks instead of humans.

On the other hand, AI machines may be harmful for humans. They always need repairing and maintenance which costs a lot of money. In addition, they make humans lazy. They replace humans in most jobs and a lot of people will become jobless. Finally, they can be hacked and misused causing a lot of harm to humans.
