7is one of the most	t dangerous problems that we face today.						
8. Many people had to	for hours in front of the stadium.						

B) <u>Reading Comprehension (16 Marks)</u> Read the following passage carefully, then answer the questions below:

Since then, kites have become more than just pieces of flying art. They have played significant roles in discoveries. Perhaps the best-known use of a kite was in a scientific experiment described by Benjamin Franklin in 1752. Franklin hoped to prove the connection between lightning and electricity. Another important use of kites was by the Wright brothers in the early 1900s. They used kites to test their ideas about flying, which helped them invent the world's first aeroplane.

Even now, kites are still an essential part of religious and cultural celebrations, and they have become a part of festivals around the world. The planes that allow us to travel worldwide have all **descended** from the simple kite. They all have the same basic idea.

a) From a, b, c and d choose the correct answer: :(6 X2 = 12 Marks)

9. The **best title** for the passage is:

messages.

- a) A windy day
- b) The History of Kites
