VI- READING COMPREHENSION: (80 Marks)

Read the following passage carefully, then answer the questions below:

Traveling is a fun and exciting adventure that allows us to explore new places and discover different cultures. When we travel, we get to see amazing sights like towering mountains, beautiful beaches, and historic landmarks. We can try delicious foods **that** we've never tasted before and learn interesting facts about the places we visit.

Traveling also gives us the chance to meet new people and make friends from all over the world. Whether we're taking a road trip with our family or flying to a faraway destination, every trip is an opportunity to create wonderful memories that we'll treasure forever.

Traveling can sometimes come with challenges. Long flights or car rides can be tiring, and navigating unfamiliar places may be stressful. Language barriers might make communication difficult, and unexpected delays can disrupt plans. Additionally, adjusting to new time zones can cause jet lag. However, with proper planning and flexibility, these problems can often be overcome, and the rewards of traveling far **outweigh** the challenges.

While the reasons for travelling are many, we must not forget that it can be a refreshing experience. Travelling is an experience that can teach us so many things that you cannot possibly learn while living at home.
