8. Mum gets when we forget to turn the lights off.

B: Reading Comprehension (16 Marks)

Read the following text carefully then answer the question below:

Time is a valuable gift, and we shouldn't waste it. It is like a magic stick that can shape your life. Time is important because it helps you get to your goals and dreams when you use it wisely.

Time helps you grow and learn. It gives you the chance to explore and discover new things. Therefore, you always need to plan to manage your time especially if you have many things to do in a short time. So, you shouldn't waste your time in only playing electronic games or watching television for many hours. Instead, use it in playing interesting sports to be fit and healthy. Or practice a useful hobby like painting or planting the garden. Reading is also a good hobby which gives you a lot of information and knowledge. So, it's okay to have fun and play games, but it's also important to find a healthy mix of activities that helps you grow, learn, and have fun successfully.

Always remember that time is precious because it is limited. Once it's gone, you can never get it back.

a) Choose the correct answer from a, b, c and d: (6x2=12 marks)

9. The **best title** for this text is:

- | | |
|---------------|----------------------|

B) Reading Comprehension (16 Marks)

Read the following text carefully, and then answer the questions below:

16

Ice cream is a frozen sweet made from cream and ice. There are many kinds of ice cream and the most famous kinds are chocolate, vanilla, and strawberry. Some people prefer eating ice cream with a cake while others like eating it with a biscuit cone.

Ice cream has many shapes and names in different countries. For example, in Italy, it's called "gelato" and prepared without cream. That's why it is healthier than other kinds. It is very soft and tasty. In Japan, the ice cream looks like small balls filled with cream and it is called "mochi".

Nobody knows for sure when and where ice cream was first made. Some people say that the first ice cream was made in China three thousand years ago. It was made of snow, milk, and rice. After that, people in Rome started making ice cream made of snow, fruits, and honey.

Today it is very easy to prepare ice cream. It can be made by modern machines like the ones in the factories or even at home with simple tools and kept in the freezer.
